Letter of Intent
for partnership with the Training Center of Turkish Airlines Inc. below through SVET project

Dr.-Herbert-Weinberger-Schule, Staatliche Berufsschule Erding, Freisinger Str. 89, 85435 Erding officially declares that our institution desires and admits

TÜRK HAVA YOLLARI A.O. EGITIM MERKEZI
(TURKISH AIRLINES INC. TRAINING CENTER)

DHMI B KAPISI, YESILKOY, TR-34149 ISTANBUL, TURKEY
Tel: (00 90-212) 663 63 00-7615 Fax: (00 90-212) 574 09 08

to be a sister training centre and would like to host a visiting group of the Training Center of Turkish Airlines Inc.

Number of participants : max 15 (including students)
Date : from 4th December to 10th December 2005

The aims of this partnership would be:

● Exchange of views regarding the applications of EASA 66 & 147-Regulations in your school,
● Gathering information on the methodology of the technical educations and the contents of the practical courses as well as the equipment status of your school,
● Exchange of views on the design of the curriculum, renewal formalities of the course contents and apprenticeship,
● Gathering information on the social activities in the schools for both teachers and students and partnership possibilities in this area,
● Gathering information on the job opportunities for the graduates, the number of the graduates having remained in this sector, and their cooperation levels with the industry.

All costs will be covered by TURKISH AIRLINES INC. TRAINING CENTER on the basis of funds received from the SVET project.
